MEMORANDUM FOR: [REDACTED]
Information Review Officer, DDI

STAT

FROM : J. Kenneth McDonald
Chief, DCI History Staff

SUBJECT : Review and Release of CIA Documents
to Department of State Historians

1. As you know, I have arranged for the historians working on the Vietnam War volumes of the Foreign Relations of the United States series to screen the documents they order from presidential libraries after we receive them here. Three Department of State historians have now visited our offices and screened groups of documents that they had selected at the John F. Kennedy Library, to identify the specific documents they would like CIA to review and release for this project.

2. Before this screening process began, I sent you eight documents from the groups in question with my memoranda of 30 August and 20 September 1983 (copies attached). Since these Department of State historians no longer need any of these eight documents, there is now no need to review them.
